Regional Project Example Application

*Project Name:

Project Summary: (3-4 sentence description of the project)
There is an opportunity to provide a more detailed description of your project later in the application.

Project Sponsor

*Organization Name:

Organization Address:

Zip: **City:**   **State:**

*Organization Phone:

Organization Fax:

*Organization Email:

*Confirm Email Address:

Identification Numbers

*Federal Tax ID#:   **DUNS #**   [What is a DUNS Number](#)

*Liability Ins. Policy #:   ***Expiration Date:**

Workers Comp Policy #:   **Expiration Date:**

Project Manager

Name:

Job Title:

Address:

Zip: **City:**   **State:**

Phone:

Email:

Person with Signature Authority

Name:

Job Title:

Address:

Zip: **City:**   **State:**

Phone:

Email:

Project Physical Location

*Project specific to one PWS? [dropdown]

*County(s): [   ]

If specific water systems are participants in this project, please identify those systems: [text box]

Project Location: [text box]

Source Water Information

Source Water Type:
☐ **Ground Water**
☐ **Springs**
☐ **Surface Water**

Population/PWS Information

Is the applicant a PWS? (Public Water System)
○ **yes**
○ **no**

Is the PWS a member of IDWARN?   IDWARN
○ **yes**
○ **no**

Do the PWSs in the project area support the project?
○ **yes**
○ **no**

Drinking Water Source Protection Plan

Is the project part of a regional drinking source water protection program, multiple certified PWS DWSPPs, and/or does the project consist of or fulfill some component of a County, City, or Regional Drinking Water Source Protection or Aquifer Protection plan or program?
○ **yes**
○ **no**

Please provide the Certified Drinking Water Protection Program/Plan name in the text box below and describe how the project fits into the overall effort.

Drinking Water Protection Program/Plan: View List of Certified DWSPP Plans

Description:

Potential Contaminants

Please provide a detailed description of your project.

What are the existing and potential contamination sources that may impact the drinking water source in the project area? Please list the specific contaminants of concern that are impacting or may potentially impact the drinking water source, (i.e. bacteria, nitrates) and the sources of this contamination (i.e. underground storage tanks, fertilizer application).

Does the project address existing contamination sources?

○ yes

○ no

How does this project address *existing* contamination source(s)?

Does the project address potential contamination sources?

○ yes

○ no

How does this project address *potential* contamination source(s)?

Does the project address existing or potential contamination sources within 500 feet of the well(s), spring collection box (es), or within 1 mile of the intake?

○ yes

○ no

Project Description

Explain why this project is important to drinking water source protection.

What specific outcomes from this project are expected?

Explain how this project is unique or different than work done in existing programs in your organization.

Work Plan - Task Calendar Entry

Task Calendar Directions   - minimize directions -

The form and "Task Calendar" below are designed to help track the many tasks your project may require.   Entries in this form are saved in the "Task Calendar" below.   To add a task to the calendar, simply fill out the form here and click "Save this Task". You will know your task has been successfully saved when it appears in the "Task Calendar".   Task entries are unlimited and you may add as many tasks as your project may require.

Once a task has been saved, it may be edited or removed simply by clicking on the "Details" section of the task where it is listed in the "Task Calendar".   When you click a task's "Details" link where listed on the calendar, all the task information will be retrieved and entered back into the task form found here.   From there, you may make any desired changes. To save those changes, you will need to click the link "Save Task Edits" that will appear when you start editing a task.

Special Note: Project lifespans are limited to 2 years. Projects with tasks that span more than a 2 year period will not be approved. Please verify that your ealiest starting task and latest ending task fall within the two year project duration maixmum.

*Task Name/Identifier:

*Start Date:

*End Date:

*Task Deliverables:

*Cost to complete task:

'Cost to complete task' is the total value of grant monies plus the value of planned match usage to complete this task.

Save Task   (Tasks not appearing below have not been saved. - Multiple entries are allowed.)

Task Calendar/Work Plan - Sorted By Start Date

Total:

Preliminary Budget

	DEQ Funding Amount	Your Matching Contribution	% Match of Total	Total Budgeted Amount
Personnel	$	$	0%	$0.00
Fringe Benefits	$	$	0%	$0.00
Travel	$	$	0%	$0.00
Equipment	$	$	0%	$0.00
Supplies	$	$	0%	$0.00
Contractual	$	$	0%	$0.00
Other	$	$	0%	$0.00
Total Direct	$0.00	$0.00	0%	$0.00
Total Indirect	$	$	0%	$0.00

Totals	$0.00	$0.00	0%	$0.00

Budget vs Tasks
