Re: Approval of TMDL for Tammany Creek - Hydrologic Unit Code 17060103  

Dear Mr. Mabe:  

I am pleased to inform you that the U.S. Environmental Protection Agency (EPA) hereby approves the Tammany Creek TMDL for sediment submitted to us on December 12, 2001.  

The TMDL addressed in this letter includes the following:  

<table>
<thead>
<tr>
<th>Water Body</th>
<th>TMDLs by Pollutant</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tammany Creek (headwaters to mouth)</td>
<td>Sediment</td>
</tr>
</tbody>
</table>

By EPA's approval, this sediment TMDL is now incorporated into the State's Water Quality Management Plan under §303(e) of the Clean Water Act. If you have any comments or questions, please feel free to call me at (206)553-1261, or you may call William Stewart of my staff at (208)378-5753.  

Sincerely,  

[Signature]  

Randall F. Smith, Director  
Office of Water
