# Idaho Permitted Subsurface Sewage Disposal System Installer List

**Last Updated: June 2026**

**Instructions for Use:**

1. Identify your local public health district.
2. Determine whether you need a Standard/Basic Installer or a Complex Installer.
3. Installers are organized by health district, installer type, and then alphabetically.
4. To search this workbook, press Ctrl + F.
5. Click a district button below, or click a district on the map to jump directly to that district's worksheet.

For the most current list of permitted installers in your area, please contact the health district with jurisdiction over the county where your property is located.
