Section 401 Water Quality Certification Request

Phone: (208) 373-0187
Email: certificationrequests@deq.idaho.gov

Instructions for Applicant

Submit this request, supporting documentation, a copy of Joint Application for Permits (if not already provided in the prefiling meeting request), and any questions to certificationrequests@deq.idaho.gov. Include in the subject line: "Certification Request – [Project Name]". An email receipt will be provided for your records when the certification request has been received. If a receipt is not received in a timely manner, call (208) 373-0187.

For more information, visit DEQ's Water Quality Certification web page. If you have difficulty completing this PDF form, contact (208) 373-0187.

Project Information

Date of Request:

Project Name:

Project Applicant

Name and Organization:

Phone: Email:

Agent/Consultant Name and Organization:

Phone: Email:

Project Location

Address/County Parcel:

City: County:

Latitude/Longitude (decimal degrees):

Federal Agency Information

Indicate the federal license or permit number (Dept. of Army/DA file no.):

Indicate the Nationwide Permit for this project (e.g., NWP 13, Bank Stabilization):

Supporting Documentation

Provide supporting documentation. The list is not inclusive; any plan or documentation that supports the goal of protecting water quality is acceptable. Identify and attach all that apply:

- ☐ Project location map (with discharge locations)
- ☐ Copy of the Joint Application for Permits (if not previously provided)
- ☐ Erosion and Sediment Control Plan
- ☐ Storm Water Pollution Prevention Plan
- ☐ Water Quality Monitoring, Control, and Protection Plan
- ☐ Wetland Delineation Report and Ratings
- ☐ Soils Testing and Characterization Reports
- ☐ Suitability determination for dredging projects with in-water disposal
- ☐ Dredging and Excavation Plans
- ☐ Flow Diversion, Cofferdam, and Dewatering System Plan
- ☐ Mitigation Plan
- ☐ Riparian Revegetation, Restoration, and Management Plan
- ☐ Aquatic Invasive Species Management Plan
- ☐ Spill Prevention Control and Countermeasures Plan
- ☐ Summary of wastewater servicing for marina operations
- ☐ NEPA analysis

Discharge and Pollutant Information

Provide the location and description of any potential discharge(s) and likely pollutants that may result from the proposed project:

Discharge location(s) latitude/longitude (decimal degrees):

Describe methods and best management practices to manage all discharge(s) and potential pollutants resulting from the proposed project activities that protect water quality:

Provide the date that a prefiling meeting request was submitted to DEQ:

Provide the date of the prefiling meeting if applicable:

Certfication Statements

The Applicant hereby certifies that all information contained herein is true, accurate, and complete, to the best of my knowledge and belief.

The Applicant hereby requests that the certifying authority review and take action on this Clean Water Act Section 401 Certification Request within the applicable reasonable period of time.

Signature: Date:
