Subject: Reuse Permit M-215-03, City of Meridian
Modification 1, Updated Responsible Official and Authorized Representatives

Dear Mayor Simison:

On January 15, 2020, Idaho Department of Environmental Quality (DEQ) received a letter from the City of Meridian, Idaho (City) authorizing several titled positions as signatory authority for Reuse Permit M-215-03 (Permit). As a result, the Permit needs to be modified to include these changes.

The Recycled Water Rules (IDAPA 58.01.17) Section 616.02.a allows for a minor permit modification for “Transfer of ownership or operational control or responsible official.” This minor modification would not result in any increased hazard to the environment or to the public health and may be issued without public review.

We are issuing Permit Modification 1 to the City which updates the Responsible Official to the titled position “Mayor” and updates the Authorized Representative to the titled positions listed in the letter which are “Director of Public Works, Deputy Director of Operations, Wastewater Superintendent, Wastewater Plant Operations Manager, and Laboratory Manager.”
If you have any questions, please contact Dani Terhaar at (208) 373-0274, or via e-mail at Danielle.Terhaar@deq.idaho.gov.

Sincerely,

Aaron Scheff
Regional Administrator
