REUSE PERMIT

DMI-258-01 – MODIFICATION 1

Permittee Name: Groves Country Farms, LLC

Effective Date of this Modification: October 14, 2021

Complete Description of Modification

Table 2. Permit Limits and Conditions on Page 1 shall be replaced with the following table. The purpose of this Minor Permit Modification is to update reporting and record keeping requirements to reflect current facility operations. The modification removes recordkeeping requirements and introduces a limit on the volume of compost allowed at the facility at any one time.

Parameter	Permit Conditions
Public Health Hazard or Nuisance Condition	Activities covered under this permit must not create a public health hazard or nuisance condition, as stated in the <i>Wastewater Rules</i> , IDAPA 58.01.16.600.03.
Groundwater	The activities covered under this permit shall not cause a violation of the <i>Ground Water Quality Rule</i> , IDAPA 58.01.11.
Surface Water	The activities covered under this permit shall not cause a violation of the water quality standards in the <i>Water Quality Standards</i> , IDAPA 58.01.02.
Entry and Access	The permittee shall allow DEQ entry and access to inspect the facility in accordance with the <i>Recycled Water Rules</i> , IDAPA 58.01.17.500.05.
Reporting	The permittee shall report changes, non-compliances and other relevant facts in accordance with the <i>Recycled Water Rules</i> , IDAPA 58.01.17.500.06.
Condition no. 1	Recycled water is only permitted for composting. Any additional uses of recycled water must be approved by DEQ in writing in advance. The volume of compost at the facility shall not exceed 300 cubic yards at any one time.
Condition no. 2	Recycled water may only be applied to Groves Country Farms property. Buffer distances shown in Table 3 shall be maintained.

Modification 1 is hereby approved. This modification to the permit is incorporated into, and constitutes a part of, Reuse Permit DMI-258-01. This permit modification must be attached to the permit. The permit is incomplete and unlawful under IDAPA 58.01.17 *Recycled Water Rules* without this permit modification attached.
