

# Denied and Partially Denied Nationwide Permits

Table 1.

Nationwide Permit		Reason for Denial or Partial Denial
3	Maintenance	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities authorized by paragraph (b)</li> </ul>
12	Oil or Natural Gas Pipeline Activities	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities that involve mechanized clearing of a wooded wetland</li> <li>oil or natural gas pipelines in waters of the United States that exceed 500 linear feet or that run adjacent to a water body for greater than 500 linear feet</li> <li>activities where discharge will result in loss of greater than 1/10-acre, as determined by Corps, of waters of the United States</li> </ul>
13	Bank Stabilization	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities involving discharge into special aquatic sites</li> <li>activities in excess of 500 linear feet</li> <li>activities that involve discharge of greater than one cubic yard per running foot measured along the length of the treated bank below the plane of the ordinary high water mark</li> </ul>
14	Linear Transportation Projects	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities resulting in the loss of waters of the United States in excess of 1/10 acre</li> <li>discharge in a special aquatic site, including wetlands</li> </ul>
16	Return Water From Upland Contained Disposal Areas	Denied entirely
17	Hydropower Projects	Denied entirely
21	Surface Coal Mining Activities	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities resulting in loss in excess of 300 linear feet of streambed</li> </ul>

Nationwide Permit		Reason for Denial or Partial Denial
		<ul style="list-style-type: none"> <li>activities resulting in loss in excess of ½ acre of jurisdictional wetlands</li> </ul>
23	Approved Categorical Exclusions	Denied entirely
29	Residential Developments	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities resulting in loss in excess of 300 linear feet of streambed</li> <li>activities resulting in loss in excess of ½ acre of jurisdictional wetlands</li> </ul>
39	Commercial and Institutional Developments	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities resulting in loss in excess of 300 linear feet of streambed</li> <li>activities resulting in loss in excess of ½ acre of jurisdictional wetlands</li> </ul>
40	Agricultural Activities	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities resulting in loss in excess of 300 linear feet of streambed</li> <li>activities resulting in loss in excess of ½ acre of jurisdictional wetlands</li> </ul>
42	Recreational Facilities	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities resulting in loss in excess of 300 linear feet of streambed</li> <li>activities resulting in loss in excess of ½ acre of jurisdictional wetlands</li> </ul>
43	Stormwater Management Facilities	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities resulting in loss in excess of 300 linear feet of streambed</li> <li>activities resulting in loss in excess of ½ acre of jurisdictional wetlands</li> </ul>
44	Mining Activities	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities resulting in loss in excess of 300 linear feet of streambed</li> <li>activities resulting in loss in excess of ½ acre of jurisdictional wetlands</li> </ul>
50	Underground Coal Mining Activities	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities resulting in loss in excess of 300 linear feet of streambed</li> <li>activities resulting in loss in excess of ½ acre of jurisdictional wetlands</li> </ul>
51	Land-Based Renewable Energy Generation Facilities	Activities Denied Certification: <ul style="list-style-type: none"> <li>activities resulting in loss in excess of 300 linear feet of streambed</li> <li>activities resulting in loss in excess of ½ acre of</li> </ul>

Nationwide Permit		Reason for Denial or Partial Denial
		jurisdictional wetlands
52	Water-Based Renewable Energy Generation Pilot Projects	<p>Activities Denied Certification:</p> <ul style="list-style-type: none"> <li>• activities resulting in loss in excess of 300 linear feet of streambed</li> <li>• activities resulting in loss in excess of ½ acre of jurisdictional wetlands</li> </ul>
53	Removal of Low-Head Dams	Denied entirely
54	Living Shorelines	Denied entirely
57	Electric Utility Line and Telecommunications Activities	<p>Activities Denied Certification:</p> <ul style="list-style-type: none"> <li>• activities that involve mechanized clearing of a wooded wetland</li> <li>• electric utility line and telecommunications activities in waters of the United States that exceed 500 linear feet</li> <li>• activities where discharge will result in loss of greater than 1/10-acre, as determined by Corps, of waters of the United States</li> </ul>
58	Utility Line Activities for Water and Other Substances	<p>Activities Denied Certification:</p> <ul style="list-style-type: none"> <li>• activities that involve mechanized clearing of a wooded wetland</li> <li>• utility line activities in waters of the United States that exceed 500 linear feet</li> <li>• activities where discharge will result in loss of greater than 1/10-acre, as determined by Corps, of waters of the United States</li> </ul>
59	Water Reclamation and Reuse Facilities	<p>Activities Denied Certification:</p> <ul style="list-style-type: none"> <li>• activities resulting in loss in excess of 300 linear feet of streambed</li> <li>• activities resulting in excess of ½ acre of jurisdictional wetlands</li> </ul>
