IDAHO DIVISION OF FINANCIAL MANAGEMENT**

**ADMINISTRATIVE RULES REVIEWED BY THE SIXTY-SEVENTH LEGISLATURE  
OF THE STATE OF IDAHO, FIRST REGULAR SESSION – 2023**

**OMNIBUS NOTICE OF LEGISLATIVE ACTION – SUMMARY OF ACTION TAKEN  
ON PENDING, PENDING FEE, TEMPORARY, AND FINAL RULES**

**AUTHORITY:** In compliance with Sections 67-5224(5), 67-5224(7), 67-5226(3), and 67-5291, Idaho Code, the Administrative Rules Coordinator hereby gives notice that the standing committees of the Sixty-Seventh Legislature in the First Regular Session, 2023, completed the review of certain administrative rules of the state agencies of the executive branch. Additionally, in compliance with Section 67-5291, Idaho Code, this notice also serves as official notice of final rulemaking for those state agencies whose rules have been approved as final. Also, notice is hereby given that certain previously approved final rules were rejected by concurrent resolution of the legislature. These rules are null, void, and of no force and effect.

**DESCRIPTIVE SUMMARY:** The following is a brief description of the action taken by the standing committees of the legislature during the 2023 legislative session.

The standing committees of the legislature have reviewed the pending rules submitted for review and final approval.

All pending rules reviewed by the legislature that were not rejected in whole or in part have been approved and are now final and of full force and effect, unless otherwise specified in the rule. Section 67-5291, Idaho Code, requires a concurrent resolution of the legislature to reject a pending rule that doesn't meet legislative intent. Any pending rule that was rejected in whole or in part is listed in this notice with the corresponding house or senate concurrent resolution affecting it. Pending rule dockets that were rejected in whole or any parts of any pending rule that were rejected, are null, void and of no force and effect. Those pending rules that were partially rejected by concurrent resolution are being promulgated as final rules and are reprinted in this Bulletin in their final, codified version. Those rules that were acted on by concurrent resolution became final and of full force and effect upon adoption of the concurrent resolution by both houses of the legislature, unless otherwise specified in the rule. The concurrent resolutions affecting the rules that were reviewed during the 2023 legislative session are also printed in this Bulletin.

Section 67-5224(5)(c), Idaho Code, requires that any pending rule imposing a fee or charge to be reviewed and approved by concurrent resolution of the legislature in order for the pending rule to become final and effective. During the 2023 legislative session, the legislature adopted the required concurrent resolutions respective to the germane committee assignments for rules review books approving the pending fees rules that were submitted for review and provided by the Office of the Administrative Rules Coordinator to the standing committees of the legislature. All pending rules imposing a fee or charge that were approved by House Concurrent Resolutions (HCRs): [HCR 8](#), [HCR 10](#), [HCR 11](#), [HCR 13](#), [HCR 14](#), [HCR 15](#), and [HCR 16](#); and Senate Concurrent Resolutions (SCRs): [SCR 103](#) and [SCR 108](#) are now final rules and are of full force and effect pursuant to the adoption of the concurrent resolution, unless another effective date has been specified in the pending rule and the concurrent resolution. Those pending fee rules that were not approved or rejected in their entirety, and those parts of any pending fee rule that were rejected, are null, void and of no force and effect.

Section 67-5226(3), Idaho Code, requires the adoption of a concurrent resolution of the legislature authorizing a temporary rule to remain in effect beyond the conclusion of the legislative session. There were no temporary rules submitted for extension to the 2023 legislative session.

**PENDING FEE, PENDING, AND FINAL RULES:** The following tables list all pending fee and pending rulemakings that were submitted for legislative review to the 2023 legislative session. The list includes the docket number of each pending fee and pending rulemaking, the volume number of the Bulletin in which the proposed and pending rule notices and text were published, the final effective dates of all approved pending fee and pending rules, and the number of the senate or house concurrent resolution, if applicable, affecting the rulemaking. These tables provide final status of all pending and pending fee rules submitted for legislative review. Final rules that were acted on by concurrent resolution are listed by IDAPA number only because they were not subject to a rulemaking.
