

DEQ announces public comment period for Implementation Guidance for Idaho's Human Health Criteria for Arsenic

Accepting comments from June 23, 2023, through July 24, 2023.

The Idaho Department of Environmental Quality (DEQ) is announcing a public comment period for the Draft *Implementation Guidance for Idaho's Human Health Criteria for Arsenic*.

The document is intended to assist DEQ in maintaining and implementing a consistent statewide approach for implementing the Idaho human health water quality criteria for arsenic. This third and final collaborative opportunity for stakeholder engagement will result in a final guidance. To review earlier versions or comments DEQ previously received, go to <https://www.deq.idaho.gov/water-quality-docket-no-58-0102-2201/>.

The *Implementation Guidance for Idaho's Human Health Criteria for Arsenic* is available for public review at DEQ's State Office (1410 N. Hilton Street, Boise, Idaho) and on DEQ's [Public Comment Opportunities](#) page. Written comments will be accepted through July 24, 2023, at 5 p.m. MDT. Submit comments below or by mail or email:
