CORRECTED AGENCY RECORD AND TRANSCRIPTS
SUMMARY | MAY 15, 2024

Agency record documents are stamped with sequential REC page numbers. Documents 095 through 105 were stamped with out-of-sequence page numbers resulting in duplicative REC numbers.

The agency record and Table of Contents have been corrected by adding the correct page numbers for documents 095 through 105 and identifying them as C-REC on the documents and in the Table of Contents. The out-of-sequence/duplicative numbers have also been retained on the documents and in the Table of Contents for future reference as the incorrect REC numbers may have been referred to and cited in documents filed between January 30, 2024, and May 9, 2024.

When referring to the corrected agency record documents for future filings, cite to C-REC page numbers.
