Information Session:
Metals Contamination in Soil at Gilmore Townsite
Monday, May 20, 2024, 10:00 AM MST

Leadore Community Center
206 S Railroad St, Leadore, ID 83464

Subject of Meeting

Presentation and discussion of topics related to metals contamination at the historic Gilmore townsite, such as the health risks of exposure to lead in soil. Learn more at *www.deq.idaho.gov/gilmore*.

The Idaho Department of Environmental Quality (DEQ) is hosting this meeting. Other participating agencies or organizations may include, but are not limited to, the Bureau of Land Management (BLM), Idaho Department of Health and Welfare (DHW), U.S. Environmental Protection Agency (EPA), and U.S. Forest Service (USFS).

This meeting is open for public attendance. Attend in person.

Agenda

10:00 AM	Welcome and Introductions
10:15 AM	Brief history and summary of site assessments – Kevin Kostka, DEQ
10:30 AM	Health risks of lead exposure – Brigitta Gruenberg, DHW
11:15 AM	Project updates – Dust suppression, soil sampling, community engagement – Kevin Kostka, DEQ
11:30 PM	BLM landownership near Gilmore – Mike Whitson, BLM
11:45 AM	General Discussion
12:00 PM	Adjourn

Note: Times indicated are tentative and may be adjusted to accommodate over and under runs of time used to accommodate presenters and public discussions.

For additional information, contact Kevin Kostka, DEQ Preliminary Assessment Coordinator at 208-515-6696 or e-mail at kevin.kostka@deq.idaho.gov
