If approved by concurrent resolution, the rules will become effective on July 1, 2025, unless otherwise specified in the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that the Board has adopted a pending rule. This action is authorized by Sections 39-105 and 39-107, Idaho Code. This rulemaking updates federal regulations incorporated by reference as mandated by the U.S. Environmental Protection Agency (EPA) for approval of Idaho's Title V Operating Permit Program pursuant to 40 CFR Part 70 and fulfilling the requirements of Idaho's delegation agreement with EPA under Section 112(l) of the Clean Air Act. It also updates citations to other federal regulations necessary to retain state primacy of Clean Air Act (CAA) programs.

DESCRIPTIVE SUMMARY: This rulemaking was initiated to update federal regulations incorporated by reference. This rulemaking also removes obsolete text and brings back definitions that were inadvertently struck during previous rulemaking with the intention of moving to other rule sections. A detailed summary of the reason for adopting the rule is set forth in the initial proposal published in the Idaho Administrative Bulletin, September 4, 2024, Vol. 24-9, pages 605 through 629. After consideration of public comments, the rule has been adopted as initially proposed. The board meeting documents are available at <https://www.deq.idaho.gov/air-quality-docket-no-58-0101-2401/>.

FISCAL IMPACT STATEMENT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: Not applicable.
