DEQ's Response to Comments/Proposed Statute Update 74-105(4)(b) Idaho Code

Comments

1. City of Meridian
2. City of Boise
3. Idaho Rural Water Association

All public comments have been considered and there are no unresolved issues.

Commenter	Code Section	Comment Summary	DEQ Response
Laurelei McVey, Public Works Director, City of Meridian	74-105	See Comment 1	1. Thank you for your comment. 2. Thank you for your comment. The Department has incorporated your recommended edits. 3. Thank you for your comment. The Department is proposing an alternative amendment to the one provided in your comment that eliminates the need to articulate how the disclosure is reasonably likely to jeopardize public health/safety. This should address the root of the concern in the submitted comment. 4. Thank you for your comment. The Department is proposing an alternative amendment to the one provided in your

			comment that will allow political subdivisions and public agencies the ability to disclose limited records to assist in the design of projects connecting to existing systems. This should address the root of the concern in the submitted comment.
Kate Harris, Water Quality Programs Manager, City of Boise	74-105	See Comment 2	1. Thank you for your comment. The Department is proposing an alternative amendment to the one provided in your comment that eliminates the need to articulate how the disclosure is reasonably likely to jeopardize public health/safety. This should address the root of the concern in the submitted comment. 2. Thank you for your comment. The Department has made a proposed amendment that will address your comment/concern.
Shelley Roberts, Chief Executive Officer, Idaho Rural Water Association	74-105	See Comment 3	Thank you for your comment. The Department's proposed amendments based on the other comments submitted will address your comment.
