Subject: Drinking Water Program Fees Proposed Changes

North Kootenai Water District supports a fee increase to maintain primacy of the EPA Safe Drinking Water Act by the State of Idaho, as administered by the Idaho Department of Environmental Quality. The District does not support a fee increase to fund State Revolving Fund (SRF) programs benefiting infrastructure projects within the State of Idaho. The District does support funding of such SRF programs through Idaho tax revenue as administered by the State of Idaho.

Thanks
