1. PURPOSE

The purpose for this memorandum is to satisfy the requirements of IDAPA 58.01.01.200, *Rules for the Control of Air Pollution in Idaho*, for issuing permits to construct.

2. PROJECT DESCRIPTION

Louisiana Pacific Corp. (LP) requested that the Idaho Department of Environmental Quality (DEQ) reissue all permits for the Bonners Ferry lumber facility in LP's name. Prior permits for this facility were issued to the previous owner, Crown Pacific Limited Partnership. This permit incorporates all previously issued permits, the applicable terms of which are included in this permit. The permits incorporated into this permit include the permits issued under AIRS No. 021-00002 issued, October 26, 1999, August 19, 1999, and March 20, 1998.

3. SUMMARY OF EVENTS

February 13, 2003 DEQ received LP's request that all prior permits for this facility be issued in LP's name.

4. PERMIT HISTORY

The following is a summary of the permit history:

October 26, 1999 A PTC was issued under AIRS No. 021-00002 to Crown Pacific Limited Partnership for the lumber mill.

August 19, 1999 A PTC was issued under AIRS No. 021-00002 to Crown Pacific Limited Partnership for the lumber mill.

March 20, 1998⁹⁸ A PTC was issued under AIRS No. 021-00002 to Crown Pacific Limited Partnership for the lumber mill.

5. FEES

No application fee was required in accordance with IDAPA 58.01.01.224 because this project was only to change the name of the holder of the permit.

6. RECOMMENDATION

Based on review of application materials and all applicable state and federal rules and regulations, staff recommend that LP be issued amended PTC No. P-030105 for the change in ownership to the facility operating under AIRs No. 021-00002. No public comment period is recommended, no entity has requested a comment period, and the project does not involve PSD requirements.
