Other Air Quality Requirements

You will be required to submit a portable equipment relocation form each time the plant is moved to a new site of operations. DEQ requires that this form be submitted at least ten days prior to relocating the equipment. A copy of the form is enclosed for your convenience. You are also required to log the hours of operation for any electrical generator used, log all fugitive dust complaints, and log all triggers that initiate fugitive dust control. A copy of each of those forms is enclosed for your convenience. If you have any questions regarding this Permit by Rule process, please contact Bob Baldwin at (208) 373-0502 or robert.baldwin@deq.idaho.gov.

Sincerely,
